# Hoang Van Tung

IT Support and System Administrator

Hanoi, Vietnam
+84 90 000 6606
tung.hoang@example.com

## SUMMARY OF QUALIFICATIONS

Practical IT support technician with 3 years of experience keeping office systems running for around 200 users. Patient with non-technical colleagues and reliable with daily operations.

## AREAS OF COMPETENCE

**User Support**

- Resolve helpdesk tickets for laptops, printers, Microsoft 365 and VPN access, averaging 25 tickets per day.
- Prepare and hand over devices for new staff and write simple how-to guides.

**System Administration**

- Manage Active Directory accounts and group policies for two offices.
- Run scheduled backups on a Synology NAS and test file restores each month.
- Maintain Windows Server 2019 file shares and update antivirus software.

**Network**

- Configure switches, Wi-Fi access points and a FortiGate firewall under vendor guidance.
- Monitor uptime with Zabbix and escalate faults to the internet provider.
